

Naomi Byrne Knoble, PhD

Boston, MA

Summary

Mixed methods research scientist with 10+ years conducting real world quantitative and qualitative data analysis resulting in multiple peer-reviewed publications and presentations

Research and Clinical Experience

Research Consultant, Patient Centered Outcomes

2016 - Present

Mapi Group
Boston, MA

- Research management, design, implementation and analysis for global patient centered outcomes projects to inform value messages and regulatory submissions for pharmaceutical products

Pediatric Neuropsychology Intern

2014 - 2015

University of Minnesota Medical School
Minneapolis, MN

- Conducted pediatric neuropsychological evaluations with clinical supervision for medically complex children (e.g., cancer, ADHD, rare diseases such as MPS I) and communicated technical health data for non-technical audiences (medical providers, parents, educators) resulting in 80+ reports delivered on-time

Pediatric Autism & Neurodevelopmental Practica

2012 - 2014

Oregon Health & Science University (OHSU)
Eugene & Portland, OR

- Administered standardized neurodevelopmental test batteries (e.g., IQ, memory, executive functioning, Autism) with strict protocol adherence and prepared technical reports for diverse stakeholders

NIMH Predoctoral Research Fellow (T32)

2011 - 2013

University of Oregon
Eugene, OR

- Designed studies, analyzed longitudinal observational and interventional data using structural equation modeling and latent trajectory modeling and prepared technical presentations resulting in 4 peer-reviewed publications and 12 presentations advancing the implementation of the *Family Check-Up*

Project Manager

2010 - 2012

Oregon Social Learning Center
Eugene, OR

- Supervised team of 4 direct reports and collaborated with lead scientist in the design and analysis of a systematic review of 225 articles addressing partner violence risk factors resulting in 1 peer-reviewed publication, 1 presentation, and more than 80 citations

Research Associate

2008 - 2010

Relationship Research Institute, non-profit affiliate of The Gottman Institute
Seattle, WA

- Managed research staff, conducted subject interviews, provided data analysis, and led community outreach for two NIH-funded studies

Assistant Director of Couples Services

2005 - 2008

The Gottman Institute
Seattle, WA

- Coordination and management for events of 500+ participants including mental health screenings; also contributed to the company's strategic planning, marketing, and product development

Teaching Experience**Adjunct Faculty**

2013 - 2014

Lewis & Clark Graduate School of Education and Counseling, Portland, OR

Instructor

2012 – 2014

University of Oregon, Eugene, OR
